WELCOME TO THE RUBY C. HUNT YMCA

Areas of Focus

The YMCA is a cause-driven organization that is for youth development, for healthy living and for social responsibility. That is because a strong community can only be achieved when we invest in our kids, our health and our neighbors.

Mission

Our Mission is to help all people reach their God given potential in spirit, mind and body.

A Note From Our Director

At the YMCA, you will experience a community that will work together to help ALL people reach their GOD given potential in spirit, mind and body. You will encounter caring and helpful staff, a wonderful facility, a wide variety of equipment, innovative classes and a nurturing and respectful environment for ALL. As a member, you’ll sense our commitment to building a healthy community by helping each individual achieve their goals. No matter where you are on your journey, you will find plenty of opportunities to grow, get connected and give back.

Wellness
Health, Well-Being & Fitness
We know that staying healthy involves more than working out. Our programs and services focus on the entire family’s health, while providing a variety of fitness and wellness programs to serve a person’s unique needs. At the Y, we provide educational programs to promote healthier decisions so you can know the best ways to stay fit. We offer the latest fitness classes, personalized training programs, sports leagues for all ages and SO MUCH MORE.

Group Exercise Classes
Group exercise is one of many ways the Y supports members in achieving their health and wellness goals. The YMCA Group Exercise Programs improve health, encourage social interaction and with motivating music, are one of the most enjoyable ways to move and feel great. Highly trained staff members lead the programs and often tailor them to the specific needs of the community. Each month a new schedule is produced with the Group Exercise classes offered for that month. Group Exercise classes are free for members!

Group Power
This class is a fantastic full body research supported strength workout. This hour class will work each part of your body and increase your stamina. New rounds are released regularly to keep your body guessing and always working. This program is free for members!

Personal Training
YMCA Personal Training is a one-on-one session with a personal fitness trainer. Our trainers are educated professionals often with years of experience who can help any YMCA member including working professionals, new moms, seniors and triathletes. YMCA personal trainers come from as many different backgrounds and walks of life as our members do, and we take great care in matching members with the right personal trainer. Rates do vary per trainer. For more information please contact our Coordinator at pmccurry@clevecoymca.org

Seasonal Wellness Specials
We offer a Fit n’ Healthy meal program where you can purchase healthy meals and protein muffins at the Welcome Center. This is a great way to end your workout! There will be a community blood drive on April 6th from 3–7PM. We hope that you will come out and participate to give back to those in need. We offer 2 special programs that take place by the pool over the summer! May is our Pedal by the Pool month and June is the month of Pilates by the Pool. Be sure to check our monthly exercise class schedules for times and dates of these classes. In June we also host our annual Senior Hawaiian Luau to celebrate our seniors who are active members of the Y!

Volunteerism & Giving Annual Campaign

The generosity of others is at the core of our existence. It is only through the supports of our volunteers, public and private donors, that we are able to give back to the communities we serve. The Y’s Annual Campaign provides financial assistance to families who would otherwise be unable to participate in value-rich programs that allow youth to create a future beyond their imagination. When you give to the Y, you continue to strengthen our community and move us all forward.

How Can You Help?

• Raise funds by asking others to give a gift and ensure that the Y is accessible to all people of our community.
• Give a gift to the Y’s Annual Campaign

Special Event & Program Sponsorship

Support the Y’s Annual Campaign by sponsoring a special event or program of your choice. Your contribution allows the YMCA to offer special events that raise money for our Annual Campaign and offer youth and family programs at a reduced or free rate ensuring the Y and its programs are accessible to all members of our community. For more information on becoming a special event sponsor please contact Piper Barnes, Director of Annual Giving and Marketing at pbarnes@clevecoymca.org

Program Volunteers Needed

At the Y we understand that not everyone can offer a donation, but everyone can offer their time! If interested in volunteering for special events, coaching youth sports or assisting in our library, please contact Barbara Fitch, Operations Director, at BFitch@clevecoymca.org
